#### Essay

#### Winner

President Paul R. Beall awards \$50 to Bonnie Lynn Tash, a sophomore, for her essay on the new architectural requirements of the college. Charles W. Ferguson, senior editor of Reader's Digest judged the entries in the contest, which was open to the entire student body.

Dr. Noah Langdale, Jr., President of Georgia State College, will receive the Oglethorpe Alumni Association's Bell Award on March 18. The School Bell Award breakfast will be held at the YWCA on Edgewood Avenue, Room 305, at 8:00 A.M.

The award is made annually by the alumni association to persons who have shown an outstanding interest in the field of education. Last year, Governor Carl Sanders and his seventh grade teacher, Miss Emma Wilkinson of Augusta were the recipients of the award. Miss Wilkinson is an alumna of Oglethorpe.

Dr. Langdale will deliver the major address at this year's breakfast. Over 100 alumni and friends attended last year's affair and a good turnout is expected this year.

Admission to the breakfast is \$1.75 and tickets may be purchased at the door.

## A Booster Challenge

Two charter members of the Booster Club have offered a challenge to the rest of the membership. If the challenge is met, the Boosters will realize their goal of \$10,000 for 1965-66.

The two Boosters, who prefer to remain anonymous until the goal is met, have offered a \$1500 gift if the membership can match it 2 to 1 by Alumni Day, May 14. In other words, the Boosters need to raise \$3,000 in order to get this \$1,500.

The Booster Club is well on its way to meeting its announced goal for the first time in several years. Gifts and pledges to date total well over \$6,000, so there is no doubt of a successful year if this new offer can be matched.

Now is the time for all Boosters to make their contribution, if they haven't done so already, every \$20.00 gift will mean \$10.00 from the two "Mystery Boosters".

By meeting the Booster goal, the club will aid the entire college budget in a most crucial development year. Our hard working President Beall will certainly appreciate the assistance, as will the Alumni Association and Science Club, who will be stimulated in making their goals.

## Petrels Play In NCAA Tournament

The Oglethorpe Stormy Petrels are wrapping up another fine basketball season, and at press time were readying to play in the NCAA Regional at Durham, N. C., March 4 and 5.

The scrappy Petrels presented Coach Garland Pinholster with another 20-game winning season, his 6th in his 10 year collegiate career, in earning the bid to go to Durham.

Coach Pinholster says this year's club has given him more thrills than any other Petrel team. At the beginning of the season, the Petrel boss expected a "rebuilding year" and the sophomore and freshmen-studded club won 20 of 25 encounters.

If the Petrels are successful in winning two games in Durham, they will qualify for the NCAA College Division finals to be played in Evansville, March 9-11.
